Request To Conduct Outdoor Burning

Pursuant to city ordinance no. 281, the City Council may grant permission for outdoor burning to be conducted within the city limits, provided certain conditions are met.

The burning must be at least one thousand (1,000) feet from any residence, recreational, commercial or industrial area except those located on the property where the burning is to take place, and except when the burning is necessary to eliminate a naturally occurring fire hazard.

The wind direction at the time of starting the burn must be away from any nearby residence, recreational or commercial area.

The Goliad City Superintendent shall determine the date and time of the start of burning. The person to whom permission is granted to conduct the burning must have provided a fireguard around the area to be burned and the fireguard shall be approved by the City Superintendent. The person conducting the burning shall provide an adequate water supply to the area and must remain at the area during the entire time of burning.

Name of person requesting to conduct outdoor burning: _____

Telephone Number _____ Date (s) burning to take place _____

Address/location of outdoor burn area _____

Type of materials to be burned _____

Type of water supply that will be on site _____

Type of fireguard to be constructed _____

Other information that you feel is important relative to this request to burn permit _____

Signature of person requesting to conduct outdoor burning _____

Date of request _____

If requesting a variance to the distance requirements, you must contact each property owner within the 1,000-foot distance to obtain their written statement of no objection. This action must be completed prior to consideration of a variance. The statement (s) must be attached to this form.
